Colorful collaboration

Above, Jessica Pletz, a Riverside Middle School student, and her mother, Cheryl Pletz, view Jessica's contributions to a multicultural ceramic tile mural unveiled last week at God's Kitchen, 303 South Division Ave. Eugenia Marve, an artist and Grand Rapids Community College art instructor, worked with 17 Grand Rapids area students, some of whom are pictured below, to create the mural as part of the "Art is a Tool for Community Involvement" program, designed to help young people come together to talk about diversity.
