**Tile sale aids charity** More than 500 Grand Rapids Public School students raised \$2,800 for God's Kitchen in their recent Tiles for Smiles fund-raiser. Students painted and designed the tiles, which were sold for \$15 each. "I feel blessed that the people who did come bought quite a bit of tile," said Eugenia Marve, Riverside Middle School art teacher and project coordinator, above in center, pictured with some of her students. Tiles will be on sale again from 5 p.m. to 7 p.m. Friday and 10 a.m. to 7 p.m. Saturday at the UICA Artists Market at the UICA. Remaining tiles will be sold by God's Kitchen.
