To whom it may concern,

I write this letter of recommendation for Eugenia Marve to express my confidence in her personal and professional abilities. As the co-owner of Spirit Dreams for close to 18 years, I have come in contact with many diversely talented people and I can say that Eugenia is one of them. In addition to being a dedicated teacher in the Grand Rapids Public school system for many years, she is also a very accomplished artist and spiritual intuitive.

From a personal perspective, I have had readings with her that were very accurate and she presented information without personal opinion which I find to be extremely important. In the time that she has done readings at our store, we have received consistent positive feedback from our customers.

Her vast experience in many areas gives her more than enough knowledge to be an asset in any program or organization and I would highly recommend her.

Sincerely,

Jackie Bess
